Balikesir University Computer Engineering

2020 - 2024*

3.30* / 4 GPA

SKILLS

- Html
- Css
- Javascript
- ReactJS
- Tailwind Css
- Mysql
- Python
- C#
- Git / Github

Yigitcan Serfice

Software Engineer

PROFIL

I am a fourth-year computer engineering student at Balıkesir University, primarily focused on front-end development. I have intermediate-level proficiency in utilizing technologies such as HTML, CSS, JavaScript, ReactJS, SQL Server, and Tailwind CSS. However, my skills in C#, Python, and Android Studio are at an entry-level.
